## PRICING OPTIONS

**Refundable Accommodation Deposit (RAD)**  
A lump sum payment made to the aged care home that is fully refunded to you or your estate when you leave the home.

OR

**Daily Accommodation Payment (DAP)**

This payment is not refundable. Some people may prefer to pay for their accommodation based on a daily rate.

OR

A combination of RAD and DAP  
If you decide to make a combined RAD and DAP payment, the DAP amount will be adjusted based on the lump sum amount paid.

Below is an example of a combined RAD and DAP payment based on a RAD of \$465,000. In this example the resident has \$232,500 available for part payment of the RAD. This means the DAP is worked out on the remaining \$232,500 using an MPIR of 8.38%.

$DAP = 232,500 \times 8.38\% \div 365$

$DAP = \$53.38$

So instead of paying the full RAD of \$465,000 the resident would pay a part RAD of \$232,500 as well as a DAP of \$53.38.
